

# ANONYMOUS BASTARDS

Anonymous Bastards deliver a high-energy, chaos filled live experience with their raw sleaze and catchy riffs. Building their reputation around stage presence and show, Anonymous Bastards is a "throwback" wind of fresh air right in your face.

Join the Bastards for a journey in chaos and sound !

Founded in 2023, Anonymous Bastards stand proud in the Sleaze Rock scene

With their first show in november of that same year, the band demonstrated its commitment to developping a live-focused approach

The band released a debut EP in July 2024 recorded at Mane Studio featuring four tracks and an intro.

They continued to tour the stages of French-speaking Switzerland, performing in places like La Sarraz, Monthey, and Farvagny...

They also made a notable appearance at the Summerside Festival, their first show in German-speaking Switzerland.

In December 2025, Anonymous Bastards released their debut Album "(IN)Famous" With a release party at the Ned in Montreux, sharing the stage with Blackrain.

Since then the band aim to play an deliver its chaos-filled performance on stage !
